

Southern Region TOBY Awards Requirements

TOBY and Earth Awards

Electronic portfolios are required for all TOBY and Earth Award entries. Portfolio development instructions and requirements may be found on BOMA International's website at <http://www.boma.org/Membership/Awards/>.

Members-At-Large Candidates should submit entries to the Southern Region Vice President for judging.

Member of the Year Award

Because an electronic format does not exist for Member of the Year, all entries should be submitted in a portfolio or folder resume format. There are no regional or international fees to enter.
