

TOBY and Earth Award Judging

Judging will occur at the local level with the local winner's electronic portfolio submitted to the regional panel for judging. Members-At-Large Candidates should submit entries to Regional Vice President for judging. Judging will occur remotely, giving every local the opportunity to participate and we hope to have all Southern Region local federations represented. A formal memo will be issued to all local BAE's and Association Presidents in January. Please contact the Southern Region Award Chairs if we may be of assistance or if you have specific questions: Regional Judging — contact Steve Harrison at 404-427-2264 or via email at s.harrison@epicresponse.com or Murray Greene at m.greene@greene-realestate.com.

Candidates should have experience in judging at the local level. Deadlines, payment or event questions- contact Linda Beauchamp at lindabeauchamp@cousinsproperties.com or Shane Froman at shane.froman@sbs1.net. We appreciate everyone's dedication and consideration to the TOBY and Earth Awards!
