

COALITION TO **DEFEAT** THE MARGIN TAX INITIATIVE

MEMBER FORM

I/**We OPPOSE** the **Margin Tax Initiative** on Nevada's November 2014 statewide ballot. This flawed and costly measure would impose an unprecedented tax increase on Nevada employers, hurting small businesses and costing the state vitally needed jobs – without doing anything to ensure better schools for our children.

You may list me/my business as a member of the official coalition formed to stop the Margin Tax Initiative.
